AROUND the TOWNSHIP

There has been quite a bit of activity in the fossil line, around Irvington, here lately.

O. N. Hirsch's gravel pit has yielded an elephant's tooth and what apparently is a camel's skull. More teeth and miscellaneous bones have been uncovered at the Garcia gravel pit.

Hirsch keeps his find in his real estate office. The elephant's tooth weighs about 20 pounds. The camel's head (if that's what it is) has turned to rock. It has a kind of smiling expression, as though it found life in Washington township in the early days very pleasant.

Our office cat has vanished, frightened off by a dog and unable to find his way home. If any one sees him, please notify The Township Register. A month ago he thumbed his way back in a car after being gone for a week. He is black, with white mustaches, white throat and shirt front, and a little less than a year old; disposition friendly.

This writer attended the organization meeting of the Irvington Junior Chamber of Commerce last week. It was held in the grammar school building in the room presided over by Principal Tom Scates. While waiting for the meeting to begin, we noticed some questions written on the blackboard which had been left there for the pupils to answer. We couldn't answer any of them. Sample: "Who led in the move for free schools?" Maybe this talk about the happy days of childhood is misguided.

People around here occasionally kick about having to crank their telephones by hand and having to listen to the ring-off bells but the telephone company service isn't all to the bad.

Take the case of Jack Williamson the other day. His new studio is just across the street from the telephone switchboard. When he arrived for work in the morning, he parked his car, and unlocked the front door. Just as he entered, he heard his phone ring in the rear of the studio. He dashed back to answer it.

"Hello," said a voice, "this is Myrtle Galves, the telephone operator. Was that your car I just saw running past my window without any driver?"

Williamson hardly waited to hang up. He dashed out to look. It was.

Many times, while Niles residents are peacefully sleeping during the night, F. E. Glassbrook, who runs the water company office, is sloshing around in muddy water by lantern light, seeing that the local system is kept operating. Glassbrook is no swivel chair executive. Little of his construction work is handled by contractors. When pipe is to be laid, he sees to it himself. Much of such work has to be done at night because the town's water supply often has to be shut off while the tests are made.

The other day as Judge J. A. Silva passed Duarte's bakery in Niles he noticed a colored man standing in front of the window looking hungrily at the rolls and pastry displayed within. "Like the rest of us, Judge Silva is pestered to death by tramps and, as a rule, he turns many of them down. But this fellow was not asking for anything and he looked so pathetic that Silva said to him, "Would you like me to buy you some bread?"

The fellow hesitated an instant, and then said, "Sure."

So Silva went in and bought not only bread but a big sausage. When he presented his gifts, the colored man thanked him but said he was not very hungry just then.

Still sympathetic, Silva asked him how long it had been since he had been able to work.

"Oh, I'm working now," was the reply, "I got a good job working for Docuh Grimmer."

TOWNSHIP SHOPPING DRIVE OPENS

Thousands Flock To Niles Bulb Display

NILES—More than 10,000 persons have visited the annual cut-dorm bulb and flower show at the California Nurseries this far. Crowds have thronged the display beds of daffodils, hyacinths and other blooms which are being presented in a new array each week-end under the direction of George Roeding, Jr., nursery president.

POTTERY MADE

An unusual event of last week-end was the manufacture of pottery by Senor Eliso Cornejo of the Allied Arts Guild of Menlo Park. Crowds gathered around Senor Cornejo to watch his work with the potter's wheel.

The bulb show, which is an annual event at the nursery, is to run a total of five week-ends. A list of authoritative speakers has been arranged for each week-end and the Tofon branch and Country Club of Washington Township helps in the sale of flowers and sandwiches.

The crowd of visitors from large cities became so great recently that traffic congestion developed and nursery employees had difficulty in finding parking space for all the cars.

Girls who sell refreshments and flowers are Margaret Williamson, Barbara Foster, Ellen Power, Linda Jane Hellwig, Lillian Jorgenson, Beatrice Matzke, Peggy Munger, Jean Boyd, Anna Millicent Shinn, Mary Virginia Bristow, Barbara Williams, Laura Lee Zwissler, Betty Murphy, Marjorie Ziegler, Winifred Bendel, Antoinette Holman, Barbara Straub, Mary Gertrude Coley, Ramona Mellow, Marjorie Griffin, Genevieve Andrade, Caroline Silva, June Farrington, Estelle Martenstein, Lorraine Peterson, Betty Robinson, Eleanor Rosalee, Cecile and Mary Harold, Betty Rorback, Betty Denton, Bernice Webster, June Loman, the Misses Ormsby, June Dougherty, Jewel Anderson, Macel Townsend, Elizabeth Shinn, Gertrude Ellsworth and Evelyn Pond.

A feature next Saturday will be the flower arrangement demonstration by Fred Frey, of the Allied Arts Guild of Menlo Park. The demonstration will be given at the nursery at 10:30, and all interested are invited. At 2:30 p. m. Lockwood de Forest, Jr., editor of the Santa Barbara Garden, will discuss "Landscape Design."

ENOS TRIAL FRIDAY

NILES—John Enos will be tried next Friday for failure to send his daughter Mary to high school. Last week he pleaded not guilty to the charge and waived jury trial.

Election Looms On School Rebuilding

IRVINGTON—Tentative plans for seeking an election on a bond issue to repair the Irvington elementary school are being made by the school board.

School trustees, in order to avoid liability for accident under terms of the new state earthquake safety law, trust present the building schedule to the district voters. They have a report from state engineers which shows rebuilding costing approximately \$10,000 is necessary if the school is to meet state safety requirements.

Some residents of the district believe a new school should be built, rather than expenditure of any considerable sum in a "patching job." Estimates place the cost of a new school at around \$40,000.

Directors are not certain yet as to when they will ask for an election.

Irvington Men Elect Garcia

IRVINGTON—Ernest Garcia was elected president of the new Irvington Junior Chamber of Commerce at its organization meeting in the grammar school building last week. About 30 persons were present.

Other officers named were Tom Scates, vice president; Joaquin Perry, secretary, and Lucio Campos, treasurer. Ray Benbow, Joe Leal, Eddie Rose, Wayne Day and Joe Silveria were elected as members of the board of directors.

Members at the meeting heard Leal read a tentative set of by-laws. Some changes were suggested in the by-laws and no definite action was taken on approval.

In consideration of a program for the coming year, members decided to ask Capt. Lewis Etkes of the state highway patrol to address them soon on the organization of a junior traffic patrol. President Garcia called a meeting of the board of directors for this week while the next general meeting will be held in March 22.

FOUR CARS CRASH IN NILES SUBWAY

NILES—Traffic was tied up in the subway at the west end of Niles Saturday by a four-car smashup which sent four persons to the Graun emergency hospital for treatment. Two of the drivers were arrested on suspicion of reckless driving.

One car, driven by Trinidad Gonzales, 39, struck the rear of a sedan in which were Charles Andrew Smith of Richmond, Mrs. Smith and William Banias of 443 56th Street, Oakland. Gonzales and his two children, Morris, 7, and Trinidad, 4, were treated for cuts about the face.

A coupe driven by James Brown, into a coach driven by E. N. Hornback of Niles. Riding with Brown was Calvin McClain, 34, Negro, of San Jose, who was treated for lacerations.

JUNIOR LEGION AUXILIARY GIRLS INSTALL LEADERS

NILES—Officers of the American Legion Junior Auxiliary were installed Tuesday night at an impressive ceremony at the Legion Memorial hall. District chairman, Mrs. Vera White of San Leandro, acted as installing officer.

Mrs. Berna Morton of Albany, district president, attended the affair. Mrs. Theresa Swartz and Mrs. Marie Brazil were among the local women having charge of the program. A St. Patrick's day party was held in connection with the affair.

Newly installed officers are Natalie Campos, president; Esther Jason, first vice president; Muriel Nunes, second vice president; Lorraine Peterson, secretary; Dorothy Rose, chaplain; Shirley Bertelotti, historian; Eleanor Costa, musician; Marjorie Jason, sergeant-at-arms, and Gloria Clark, marshal.

Loyalty--

In this issue of The Township Register, local merchants are making a whole-hearted effort to meet township consumers more than half way.

This week, and for the following nine weeks, at least, the bargain offers on pages 4 and 5 of this newspaper will be repeated or replaced with others just as good.

The township's merchants have a reason for this. They want to remind local people that because they are close at hand because they know the individual needs of their neighbors, they can give services that cannot be obtained elsewhere.

They believe that if this campaign drives home those facts to even a few, it will have been worth while.

Small Boy Tells of Irvington Stickup Netting Bandit \$3073

IRVINGTON—"I saw him go in the bank. He had his hand in his pocket. I didn't know he was a holdup man."

"In a little while, I saw him come out and get in his car and drive away. He was awful nervous. I could tell he was nervous because he had a cigarette in his mouth and it bobbed up and down something fierce. But I still didn't know he was a robber until I heard the folks in the bank give the alarm. Then I was sure surprised. If I'd known I would of got his license number."

Such was the best eyewitness account of the daylight holdup at Irvington last week. The witness was Hugh Davis, 10-year-old, who happened to be standing near the spot. He saw the bandit enter and leave the bank before and after the robbery.

Careful check revealed the loss totaled \$3073. The Bank of Alameda County is fully covered by holdup insurance.

Although every officer in this district was quickly notified of the crime and all highways were carefully checked, there was no trace of the bandit after he distanced pursuers between Irvington and Centerville.

No one was in the bank except J. R. Blacow, cashier, and Miss Margaret Overacker, bookkeeper. The bandit appeared nervous, and displaying a gun, ordered them to put up their hands, but changing his mind, said to lower them. He pushed a note across the counter to Blacow demanding "all the money." Grabbing the bills he ordered Blacow and Miss Overacker to lie on the floor, then backed out and fled to a car parked outside.

Mr. Blacow sounded the burglar alarm, which was heard by Ed Hirsch, Irvington business man, and Miss Florence Aust, 23, secretary of Washington Union High.

LEGION DANCE NEXT SATURDAY

NILES—The annual St. Patrick's dance, given by American Legion Post No. 195, will be held next Saturday evening at Niles Veterans Memorial Hall. Music will be by Campas Californians.

The veterans report many tickets sold and prospects good for a lively and enjoyable party.

Ben Turpin Accepts Invitation To Niles

NILES—Ben Turpin plans to come to Niles on May 2 and 3 as guest of honor during the annual wild flower show. At the invitation of Sam Kerns, president of the Niles Junior Chamber of Commerce which is sponsoring the event, Mr. Turpin wrote the following letter:

HERE'S LETTER

"Dear Mr. Kerns: I greatly appreciate your kind invitation to be your guest of honor at your first annual flower show. I assure you it will be a great pleasure for me to appear and meet all my good old friends in Niles. I have a very warm spot in my heart for that community and sincerely hope to be able to come. However, there may be just one possible occasion to prevent my being present: I may happen to be tied up working on a picture. In that case, I should notify you in plenty of time. Thanking you kindly, I remain,

BEN TURPIN,
Ex-mayor of Niles."

Turpin, famous cross-eyed comedian, was one of the stars on the old Essanay lot in Niles. That was in 1916. Players then lived in the Belvoir hotel. Wallace Beery also was one of the players.

KRAFTILE PLANT BUSINESS GROWS

NILES—Operations have been resumed by the Kraftile Company and business now in sight promises to keep the plant in operation for some time to come. C. W. Kraft, the new manager told the Chamber of Commerce Monday.

Members of the chamber welcomed Mr. Kraft, who had recently joined the chamber and was making his first appearance. While dependent on the building industry in general, Mr. Kraft said prospects indicated two or three times as much business as last year. During the final quarter of 1935 about 125 men were employed, and the operation is now swinging back on production. Members of the chamber expressed eager interest in the outlook for increased employment, as most of the workers are recruited from Decoto and Niles.

HOSTESSES GIVE BRIDGE PARTIES

NILES—Bridge parties and dinners have been keeping a lot of people busy in Niles recently. Mrs. E. Martin was hostess this week at a St. Patrick's bridge dinner. Green was the motif for the decorations. Guests were Mr. and Mrs. E. H. Ellsworth, Dr. and Mrs. E. C. Grau, Mr. and Mrs. Lester Duffey, Mr. and Mrs. R. Bendel, Mr. and Mrs. A. J. Rathbone, Mr. and Mrs. C. E. Martenstein, Mr. and Mrs. R. Tyson, Mrs. Louise Tyson, Mr. and Mrs. A. W. Ebright and Mr. and Mrs. A. J. Petsche.

Mrs. Martin's party closely followed that of Mrs. Petsche. Mrs. Petsche's party was in honor of Mr. and Mrs. C. E. Berry of San Francisco.

Tonight Mrs. Martin entertains again, this time for the Out-of-Town Bridge Club.

PHONE COMPANY TO GET HEARING

DECOTO—Representatives of the state railroad commission on March 24 will hear spokesmen for the Pacific Telephone & Telegraph Co. explain their plans for a change in service. The hearing will be held at the Decoto fire house. Proposed changes include establishment of a 24-hour service.

BRISTOW TELLS PROGRAM PLANS

NILES—E. Dixon Bristow, principal of the Niles Grammar school, promised the Chamber of Commerce at Monday's meeting, an entertaining speaker on the occasion of the luncheon to be given by the chamber in observance of national education week. Mr. Bristow said the address would be brief, and there would be one or more musical numbers. He said open house would be maintained at the school, and suggested that special effort be made to interest women in being present for the occasion.

ADMITS THEFT

NILES—C. E. Randall will be sentenced tomorrow in strict court on a charge of petty theft. T. D. Witherly of Mission San Jose complained against him last week for removing wood from his premises.

Mabel Lewis, niece of Postmaster Manuel Lewis of Centerville, is recovering from an appendicitis operation.

MERCHANTS MAKE MANY FINE OFFERS

The township's own shopping drive opens today.

Township merchants are behind the slogan to BOOST—BUY—BUILD and BANK in Washington township to the extent that they have launched their campaign to bring more local people into their stores.

On page four and five of this issue of THE TOWNSHIP REGISTER, there are many attractive offers listed.

Free merchandise awards are present also.

Township merchants maintain there is NEWS on pages four and five—GOOD news for housewives and all other who buy.

And that good news will appear each week for the next few weeks.

Read it and remember—

STUDENTS GIVEN FREE DIAGNOSES

CENTERVILLE—Chest examinations of Hayward Union High School students by means of an X-ray fluoroscope were started Wednesday, March 4, at the High School in room 38. Free examinations are being offered to all students who desire to avail themselves of these tests.

These examinations are being sponsored as a joint project of the Alameda County Health Department and the Alameda County Tuberculosis and Health Association.

Speaking of the purpose of the tests, Dr. I. O. Church, Alameda County Health Officer and Director of Medical Service in Hayward Union High School, said:

"Early diagnosis is one of the most important elements in the treatment of any disease. This is particularly true of ailments of the chest. By means of an X-ray machine with a fluoroscopic screen which we have moved into Room 38 at the high school, skilled diagnosticians are able to see the outline of the chest and are often able to detect the presence of any abnormality early. This enables us to take care of such difficulties at once."

Dr. Church said that this free service would be offered to all students at the High School and that the examinations would be completed next week.

SUFFERS GASHED THROAT

ALVARADO—Luis Sciotto, 65, rancher on the Fair ranch road, is in the Hayward hospital this week suffering from a badly gashed throat. Members of his family found him lying in the basement of his home Tuesday evening. He said he had fallen down stairs and had suffered the wound by falling on some fruit jars. A pocket knife was found nearby. Sciotto has been suffering from asthma and had been unable to sleep for some time before the occurrence.

Don't Guess But Know

Whether the "Pair" Remedy You Use is SAFE?

Don't Entrust Your Own or Your Family's Well-Being to Unknown Preparations

THE person to ask whether the preparation you or your family are taking for the relief of headaches is SAFE to use regularly is your family doctor. Ask him particularly about Genuine BAYER ASPIRIN.

He will tell you that before the discovery of Bayer Aspirin most "pain" remedies were advised against by physicians as bad for the stomach and, often, for the heart. Which is food for thought if you seek quick, safe relief.

Scientists rate Bayer Aspirin among the fastest methods yet discovered for the relief of headaches and the pains of rheumatism, neuritis and neuralgia. And the experience of millions of users has proved it safe for the average person to use regularly. In your own interest remember this.

You can get Genuine Bayer Aspirin at any drug store—simply by asking for it by its full name, BAYER ASPIRIN. Make it a point to do this—and see that you get what you want.

GAS, GAS ALL THE TIME, CAN'T EAT OR SLEEP

"The gas on my stomach was so bad I could not eat or sleep. Even my heart hurt. A friend suggested Adlerika. The first dose I took brought me relief. Now I eat as I wish, sleep fine and never feel better."—Mrs. Jas. Miller.

Adlerika acts on BOTH upper and lower bowels while ordinary laxatives act on the lower bowel only. Adlerika gives your system a thorough cleansing, bringing out old, poisonous matter that you would not believe was in your system and that has been causing gas pains, sour stomach, nervousness and headaches for months.

Dr. H. L. Shoup, New York, reports: "In addition to intestinal cleansing, Adlerika greatly reduces bacteria and colon bacilli."

Give your stomach and bowels a REAL cleansing with Adlerika and see how good you feel. Just one spoonful relieves GAS and chronic constipation. Sold by all druggists and drug departments.

Rash Broke Out But Cuticura Soothed

Read this letter—how smarting rash and blisters due to external causes were relieved in almost no time by Cuticura.

"I noticed an itching sensation on my face and arms. It afterwards formed blisters that left the skin very tender and sensitive. Finally a rash broke out which, when rubbed, caused a smarting and intense itching. It was agony.

"A sample of Cuticura Soap and Ointment relieved me so much that I bought some. After using one cake of Cuticura Soap and one-half tin of Cuticura Ointment, the rash disappeared." (Signed) Mrs. Grace Bailey, 390 East 201st St., Bronx, New York City.

There Is No Appeal From

Decisions of Moral Law

A man may have a legal right to take advantage of another. But he can never have a moral right to do it, and the moral law will decide against him every time with no appeal.

Human law has a limited range. Moral law conditions the universe, and no one, in the end, can escape from its decisions.

To Be Chic Is to Be Man-Tailored

By CHERIE NICHOLAS

THERE is no question as to the supremacy of the smart tailor in the early spring mode. How to wear a strictly man-tailored suit without sacrificing a prettily feminine appearance is the problem that fashion is putting up to the ladies these days. And is the fair sex proving equal to the occasion? Of course! Merely a matter of accessories, if you please. As to whether your spring tailor goes smartly manly or winsomely feminine depends for the most part on the hat, gloves, footwear, bag, belt, blouse and all the other items that go to make up a correct ensemble.

Here is a formula for a good antidote to the masculinity of a manly tailored suit of sturdy men's wear woolen or other weave. Wear an alluring frilly, lingerie blouse, for after many years' absence it has come into its own for spring. About your swanky felt Homburg or your equally as modish sailor hat see that your milliner ties a length of gaily colorful (sometimes several colors are used together) veiling in a big sprightly, fluttery, eye-compelling bow. Match your new fabric gloves to the color of your veil, for gloves in giddy colors are highly important news this season. Colorful hosiery, too, registers on the advance style program.

However, should you prefer that your spring outfit go dramatically masculine in every detail as do so many of the high-fashion tailors on the new style program, again may we remind you that it is for the most part a matter of choosing the proper accessories. Homburg hats, shirtmaker blouses, bags that look like a business man's brief case, a tie or ascot scarf that seems as if it might belong on brother's tie-rack, pig-skin gloves, the very new square-toed and square-heeled shoes, all are contributing items to mannish styles. And don't forget to add conspicuously one of the swanky lately-arrived watch-fob pins.

Designers are playing up the tailored suit with many variations. The group pictured illustrates the idea. To the left the suit is a classic double-breasted type. In navy or black it carries a genteel air which best dressed women seek. A simple linen shirt is preferably worn, although, to vary the program, it is well to have in reserve a smart taffeta or crepe blouse. A bandanna kerchief blouse would be interesting to include in your tailored blouse wardrobe. Here you see one of the cunning new veils in high color mood that is accomplishing wonders in the way of counteracting too much masculinity in one's tailor.

The suit to the right differentiates in that it has a two-button fastening. Speaking of tweeds (this promises to be a very tweedy season) and the new novelty woollens, words fail to do them justice. In their wealth of radiant colorings, in their unique flecked and nubbed rough weaves, in their artful stripes, plaids, and diagonals they simply baffle description. The ascot scarf and felt Homburg are significant style items.

The latest call of the tailored mode is for skirt and jacket to contrast as shown in the clever suit in the foreground. Stunning color effects are worked out in this way, special attention to a discriminating selection of accessories being absolutely necessary. Note that this jacket has a one-button fastening. The blouse is of the new frilly lingerie type. The sailor hat with veil is good style.

SPRING STYLE SHOW STRESSES ECONOMY

Economy clothes, designed to save money, time and luggage space, starred in Paris spring fashion openings which ended a fortnight of the most varied displays Paris has shown in years. The most striking costumes had changeable accessories which transformed their appearance or converted them to several uses. Worth showed slender, dark satin evening dresses with draped corages which could be drawn over the shoulder to make them sleeved dinner gowns. Dikusha displayed trim black suits whose box jackets had different colored detachable felt vests anchored by gold buttons. Evening gowns of printed beaded organdie, crepe in brilliant modernistic designs and embroidered silk were outstanding features of Patou's collection.

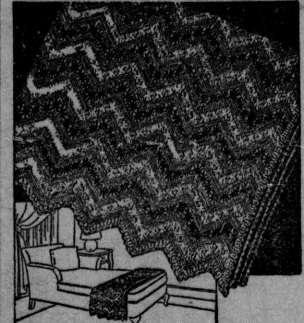

Colors Return in Milady's Shoes With Varied Choice
Shoes as brilliant as the peacock's tail will deck the nation's feminine toes this Easter. Early spring styles displayed by manufacturers feature pastel tints rivaling the rainbow.

"Bright colors—lavenders, yellows, greens, blues, pinks—will strike the dominant note this season," said one leading stylist, "and previously varied combinations will have a new vogue."

The choice will range from a red, white and blue trimmed model to the patriotic to one rivaling Biblical Joseph's coat of many colors.

Crocheting an Afghan, Tomorrow's Heirloom

PATTERN 5254

What more conducive to "forty winks" than this fluffy, lacy afghan! Its crocheted warmth will ward off the most treacherous draughts, its color brighten and gladden any room it adorns. A very simple pattern to follow, too. The stripes look like tiny daisies strung together, and are in a crochet stitch which busy hands and needle soon learn to do by heart. Lovely in three shades of one color, it is also effective with each stripe a different color.

In pattern 5254 you will find directions for making the afghan; an illustration of it and of the stitches used; material requirements, and color suggestions.

Woman Linguist Maintains

Vow of Silence 25 Years
Anne Louise Reinzi, of Boston, could talk fluently in seven languages. But for more than 25 years she uttered not a single syllable of one of them to a living soul!

In 1910 she became a recluse, locking the door of her home to all visitors. Gas, electricity and water companies had to turn off supplies because she refused to admit their inspectors. Recently kindly neighbors grew anxious when she was not seen about. Police were called, battered down doors, found her lying on the floor with a fractured leg. She was rushed to a hospital, where she died, aged ninety.—Pearson's Weekly.

Miss Nauert Tells Schaumtorte Secret

It may be out of place to put an Alvarado woman's recipe on the Centerville News page but because so many Centerville persons have tasted Mildred Nauert's Schaumtorte, it seems a good idea to let them in on the secret of making it. Schaumtorte is an old-fashioned German dessert, says Miss Nauert.

INGREDIENTS

9 egg whites.
3 cups sugar.
3 teaspoons vinegar.
1 teaspoon vanilla.

The egg whites must be at room temperature when the hard work starts. Beat them 10 minutes and add sugar gradually, allowing 10 minutes' beating to each cup. Then add vanilla and vinegar and beat another 10 minutes. Put mixture in ungreased spring form about 11 inches in diameter and bake at a low temperature for about one hour and cool and remove from pan. Put a can of pineapple or about three baskets of strawberries on top of the cake and add a pint of whipped cream to go over all. The recipe makes about 14 servings, says Miss Nauert, and in case more is desired, it can be made in layer form. If this is tried, the layers should be baked in layer tins with knife slides.

DO YOU KNOW?

Dry cornstarch rubbed into grease stains on cloth absorbs the grease and can be brushed off carefully, repeating the treatment until the spots disappear.

Plants love bottom heat and if house plants droop from no apparent cause and refuse to thrive, watering them slowly by pouring warm water into the saucers every day will sometimes give them new vigor.

When you are making apple sauce, the apples should be cooked quickly so the shape and color may be preserved.

To remove fruit and coffee stains, stretch the stained part over a bowl, and pour boiling water through it until the stain disappears.

Ink stains may be removed by soaking in sweet or sour milk.

Convenience Of Gas Heater Is Extolled

In modernizing a home, whether for occupation by the owner or for sale, a vital feature of interior equipment is automatic hot water service. Its value to the home-maker in comfort and labor-saving convenience is superlative. The purchase of an automatic gas water-heater is an investment in health and happiness for the whole family, says Pacific Gas & Electric Co.

Another point. The purchaser of a home must take for granted what the owner says of the unseen construction, but when he sees an automatic water heater he knows that the finest hot water service possible has been provided and he unconsciously uses it as a standard to measure the home's other conveniences.

It is all so simple. Once the installation is made, all the housewife need do is set the pilot light going and then forget all about the heater so far as any question of care and attention is concerned.

FUNDS ASKED FOR HOME PLANNING CLASS OF GIRLS

NILES — There are now 180 girls taking the home-planning course at the Washington Union High School, Principal A. J. Rathbone reported to the Niles Chamber of Commerce at the meeting Monday. He said the federal government had allocated \$2800 to the work, but the act providing these funds was about to expire. New funds would be provided if congress passed house resolution 11,328, now before the house.

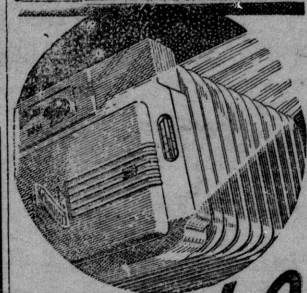

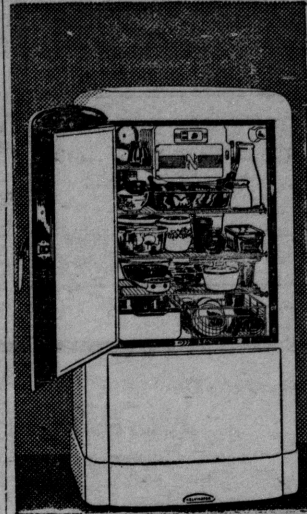

The chamber voted to send a telegram to Albert Carter, representative from this district, urging support of the measure.

Rind of 1/2 lemon and juice
1 pint milk.
Cook in a double boiler. Add cocoanut to cooked custard.

Chocolate Custard

Cook together until it begins to stiffen:
2 cups milk
2 level tablespoons cornstarch added to hot milk
1/2 cup cocoa
2 or 3 eggs, beaten slightly with one-half cup sugar.
Egg whites may be beaten in slowly after taken from the fire. Add one-half teaspoon vanilla. Place in the refrigerator and let it set.

Local Tile To Line

Tunnel Is Proposed

NILES — Use of local tile to line the Yerba Buena tunnel of the San Francisco bay bridge will be urged on the bridge authority by the Niles Chamber of Commerce. At Monday's meeting, the chamber decided to obtain information from the Kraftite Company and show the bridge people the advantages of using material made in Washington Township. Employment here will be considerably increased if the order is obtained for the local plant.

CANKER CAUSE OF TOMATO DAMAGE

DAVIS—Bacterial canker has caused heavy losses to tomato growers in California during the past two years, according to Dr. J. B. Kendrick, associate plant pathologist in the College of Agriculture on the Davis campus of the University of California. He warns growers to take precautions against loss this year.

"Growers should know that the disease is seed borne and only seed from disease-free fields should be used. It is always good insurance to treat tomato seed with mercuric chloride, one part to three thousand parts of water by soaking the seed five minutes, then washing the seed immediately in running water for fifteen minutes. The seed should then be spread to dry.

"Serious losses have been traced to seed and seed bed infections. The greatest spread of the disease takes place in the hotbed and coldframe. The frequent handling of the young plants previous to getting the plants into the field probably accounts for the greatest spread of the disease.

"Plant beds should be inspected frequently for evidence of the disease and beds where the disease occurs should be discarded. Observation has shown that where fields have been planted from beds showing only a trace of the disease, heavy losses have followed.

"The disease often is evident in the coldframes at about the time of field planting. Diseased plants are stunted and often overgrown because of the rapid growth of adjacent healthy plants. A close inspection of the beds by gently pulling over the tops of the plants will show the stunted and diseased ones. The first evidence of the disease is the sudden wilting and drooping of the young leaves on the stunted plants. Later these plants show small open sores or cankers on the stems.

"In case of doubt, growers should send specimens to the division of plant pathology of the College of Agriculture, or confer with the farm adviser in their county. Growers also should use caution in obtaining extra plants for transplanting to fill in where the first plants have died, and be sure that these do not come from infected beds."

"When I was in Atlantic City, I stopped at the Ambassador Hotel."

"What? No wonder it took me so long to walk to the beach!"

Alvarado Personals

The Misses Elinore Silveria, Isabel and Mary-Azvedo, Olive Perry, Henrietta Flores, Elinore Roderick and Mary Pierce and Mrs. Jesse Perry, Mrs. Manuel Mattos, Mrs. Frank Roderick, Mrs. Henry Flores, Mrs. Angie Vargas, Mrs. Lenora Silveria, were among those who attended the Y. L. I. annual communion at the Centerville Catholic church on Sunday morning. After mass a breakfast was enjoyed at the Broken Drum in Centerville.

Mr. Hubert Jacinto was honored at a birthday party on Saturday evening at his home. The occasion was his twenty-second birthday.

Mr. Antonio Borges and family of Newman are planning to move here and make their future home on the Borges ranch in the Alvarado Creek road.

Mr. and Mrs. George Hocking and daughter, Carol, and Mr. and Mrs. Joe Edwin Dutra visited with Mr. and Mrs. Arthur Dingle in Belmont Friday evening.

Mr. Antonio Flores of Oakland spent Sunday here with his mother, Mrs. Elizabeth Flores.

Little Winifred Rogers of Centerville has been spending the past week here with her grandmother, Mrs. A. Mello. Her father, Mr. Antonio Rogers, has been confined to the San Jose hospital.

Mrs. Clara Mendonca of Fruitvale is spending the week here with her sister, Mrs. Anne Avall. Mrs. Mendonca's husband, Mr. Joe Mendonca, recently passed away.

Miss Minnie Rivers has been employed by Mr. Luis Dienthelm, owner of the "Curve Inn."

Raymond and Segunda Dias and Manuel Esteves spent Sunday fishing in the San Joaquin river.

WORK FINISHED ON HIGH SCHOOL

NILES—A. J. Rathborne, principal of Washington Union High meeting of the Chamber of Commerce, reporting the classes were now back in the main building, the earthquake proofing having been completed.

The work was very splendidly performed and the cost was low," said Mr. Rathborne. "We have a feeling of security now we never enjoyed before. We think the board of trustees entitled to all praise for the able manner in which the operation was conducted."

PLANS MADE FOR EDUCATION WEEK

Civic societies throughout the township will sponsor a series of meetings in observance of school week which begins on April 27. At a meeting last week, a committee comprising E. D. Bristow, Tom Maloney, H. M. Kirby, L. W. Musick and Eph L. Musick was appointed to name a list of speakers who will appear at the meetings.

Township schools will keep open house as usual during the week. A. L. Rathbone, high school principal, is planning an open house at the high school for eighth grade students. He also expects to arrange a field day for their entertainment.

Township leaders drafted to make the week a success are E. V. Jones, Mrs. F. T. Dusterberry, A. J. Petsche, E. L. Kelly, Tom Maloney, Mrs. Roland Bendel, E. D. Bristow, Sam Kerns, T. J. Nordvik, R. J. Wright and J. E. Paschote.

Mrs. F. T. Dusterberry represented the Country Club of Washington Township and Mrs. Geo. Coit the Centerville Grammar School Parent-Teacher Association at the organization meeting.

In accordance with the plan to have speakers on education at the regular meetings of the various organizations in the township, the Country Club will postpone the program on famous women of history, scheduled for the meeting on April 7. The club has invited Miss Helen Heffernan, state supervisor of elementary education and rural schools, to speak at the club on that day.

Druids of East Bay
Honor Grand Trustee
CENTERVILLE — Two hundred
members from Livermore, Pleasanton,
and East Bay Groves of
Druids were present at the re-
ception given in honor of Grand
Trustee A. E. Francis of Newark
by the local Grove on Monday
night.
The Green Valley degree team
of San Francisco was in charge of
the initiatory ceremony at which
17 candidates were inducted into
the organization.
The following new officers were
duly elected and will be installed
at a future meeting: Noble Arch-
Allen Walton; vice-arch, Dr. J. D.
Cowan; secretary, J. S. Furtado;
conductor-Joe Jason. These of-
ficers were assisted in the ar-
rangements for the evening by
F. F. George, M. Dutra, Manuel
Perry, A. E. Alameda, and M. S.
Simas.
Grand Secretary, Fred Mossi, of
San Francisco was a guest of
honor.
A program arranged for the oc-
casion by Joe Jason and A. E.
Alameda consisted of piano num-
bers by Miss Esther Jason; vocal
solos, Miss Lillian Hoffman; bal-
let, Miss Standard of Irvington;
tap dancing, little Miss Dorothy
and Bernice Gabriel; novelty dan-
ces, Caldeira sisters of Newark;
A banquet at which A. E.
Alameda presided as toastmaster
followed the meeting.

BENDEL BUSY ON
MOSQUITO WORK

Forces of the Alameda County
Mosquito Abatement District are
now engaged in a major attack
on all fronts against the mosquito
pest, according to Roland Bendel,
Washington township foreman of
the abatement district.
Shovels, pumps, and oil spray
guns are all being employed
against the main concentration of
insect enemies on several thousand
acres of thoroughly flooded marsh
along the southern Alameda Coun-
ty shore line.
Bendel's crew last month dug
700 feet of new ditch, opened up
2,700 lineal feet of blocked slough,
and cleared 13,120 lineal feet of
existing ditch. This work is per-
mitting millions of embryo mos-
quitoes in the "wriggler" form to be
swept out into the bay and de-
stroyed.
On south marsh west of Al-
varado, pumping is aiding in re-
moving water left by February
storms. Oiling operations also
are now going on to kill mos-
quitoes about ready to emerge
from water which has not yet
drained off the marshland.
Bendel predicts a close battle,
but believes that his forces will
be successful in preventing the
migration of hordes of salt water
mosquitoes throughout Washing-
ton township.

Junior Chamber Gets Busy

NILES—Springtime brings thoughts not only
of house cleaning, but of street cleaning as well.
Members of the Niles Junior Chamber of Com-
merce were disturbed by the litter on First street,
which is the main business thoroughfare through
town. So the Chamber bought a truck and will
have the street swept. The truck has been named
"Junior," and Guido Tuana and Milton Fournier
are shown giving it a coat of paint before start-
ing work.—Oakland Tribune photo.

Dawson of Oakland will speak on
missionary work in the Philippine
Islands at Memorial Hall tomorrow,
Friday, at 8 P. M. The talk will
be illustrated by slides made
from photographs taken by the
daughter of the speaker who is
engaged in missionary work in
the islands.

CHAMBER OF COMMERCE
HISTORY WILL BE TOLD
NILES—Early facts about the
Niles Chamber of Commerce will
be embodied in the new Wash-
ington Township history being
compiled by the Country Club
under direction of a committee
headed by Mrs. J. E. Thane. At
Monday's meeting of the Cham-
ber, R. V. Jones and Lester Duf-
fey were appointed a committee to
elicit the facts for the benefit of
the historians.

NILES KITE CONTEST
NILES—Boys and girls of the
Niles Grammar school will have
chances to win prizes for kite
flying a week from Monday, says
Principal E. Dixon Bristow.
Prizes, such as harmonicas and
similar gifts, will be awarded.
Mrs. Ada K. Garcia of Center-
ville was a visitor in Oakland on
Monday.

RAMOS DRAWS TERM
NILES—John Ramos was given
a ten day sentence by Judge
J. A. Silva last week for beating
his wife Alice, in their Decoto
home. Ramos was alleged to have
injured Mrs. Ramos while under
the influence of liquor.

SMALLPOX VACCINATION
CAMPAIGN IS PLANNED
A smallpox vaccination immu-
nization campaign, similar to the
diphtheria prevention campaign
carried on by the county health
department in November, will be
conducted in Washington town-
ship during the first two weeks
of April. The vaccinations will
be done by the local doctors in
their offices. This is part of
the department's yearly program
in the public health field.

PAINTING JOB TO WAIT
CENTERVILLE — Final painting
of the Washington Union High
school building will be deferred
this spring in an effort to re-
turn students to the use of the
classrooms on the second floor
of the building. Members of the
school board voted to suspend the
painting when they learned that
the work would necessarily de-
lay reoccupancy of the rooms
after completion of earthquake
proofing alterations.

PLAN MEETING IN
EDUCATION WEEK

NILES—Ladies are especially
invited to a meeting of the Cham-
ber of Commerce to be held April
27, when a prominent speaker will
discuss the significance of na-
tional education week.
R. V. Jones, as representative
of the Chamber, attended last
week's meeting at the Washing-
ton Union High school as repre-
sentative of the Chamber. He re-
ported delegates present from all
civic and social organizations of
the township. E. Dixon Bristow,
school principal, likewise repre-
sented Niles. Dr. E. C. Grau,
president of the Chamber, is tak-
ing an active part in plans for
the observance.
Mr. Jones reported the sense of
the meeting to be in favor of
eliciting interest of parents in the
work of the schools. Each com-
munity will hold meetings dedi-
cated to that end.

"Pardon me, please," said the
night your committee accepted my
proposal of marriage. I have called
this morning to ask if there is
any insanity in my family."
"There must be."

OTT PLEADS GUILTY

CENTERVILLE — Emil Ott of Irvington pleaded guilty in Judge Allen G. Norris' court last week to a charge of reckless driving. He was fined \$25. George Jones, negro of Oakland, was charged with cutting in with his car in such a way that he forced E. J. Dias off the road near Alvarado. He pleaded not guilty and claimed the sun was in his eyes at the time. Inasmuch as the accident occurred in the late afternoon and Jones was driving almost due east at the time, he was fined \$10.

The Man Who Knows

Whether the Remedy
You are taking for
Headaches, Neuralgia
or Rheumatism Pains
is **SAFE** is Your Doctor.
Ask Him

Don't Entrust Your
Own or Your Family's
Well-Being to Unknown
Preparations

BEFORE you take any preparation you don't know all about, for the relief of headaches; or the pains of rheumatism, neuritis or neuralgia, ask your doctor what he thinks about it—in comparison with Genuine Bayer Aspirin. We say this because, before the discovery of Bayer Aspirin, most so-called "pain" remedies were advised against by physicians as being bad for the stomach; or, often, for the heart. And the discovery of Bayer Aspirin largely changed medical practice.

Countless thousands of people who have taken Bayer Aspirin year in and out without ill effect, have proved that the medical findings about its safety were correct.

Remember this: Genuine Bayer Aspirin is rated among the **fastest methods yet discovered** for the relief of headaches and all common pains ... and safe for the average person to take regularly.

You can get real Bayer Aspirin at any drug store—simply by never asking for it by the name "aspirin" alone, but always saying **BAYER ASPIRIN** when you buy.

FRANKLIN'S FATHER AND MOTHER DIED OF FIRST ILLNESS

Benjamin Franklin used to say of his parents, "I never knew either my father or mother to have any sickness but that of which they died, he at eighty-nine and she at eighty-five years of age." He had inherited an excellent physical foundation for the making of a great man.

In a printing shop in London, whither he went at the age of eighteen, he astonished his fellow workers by abstaining from beer and yet being able to carry a large form of type in each hand where the others carried but one in both hands. Franklin kept a score card of virtues to be practiced. The first of the rules of conduct reads: "Temperance.—Eat not to dullness; drink not to elevation."

Franklin's philosophic mind came to the conclusion that the quantity of each kind of exercise is to be judged not by the time spent or distance covered, "but by the degree of warmth it produces in the body." Considering the customs of his day, he was a remarkable specimen of health, strength and endurance, concedes Dr. James F. Rogers in *Physica*.

The Pathway of Life Is That of Will and Fortune

"In the long run," says Moreau sagely and wittily, "men hit only what they aim at." Luck may play queer tricks for a while with a life; but in the end the aims and principles of the man or woman come out clearly, in spite of fortune.

Firestone PUTS THE FARM ON RUBBER

FIRESTONE GROUND GRIP TIRES SPEED UP FARM WORK—MAKE IT EASIER—MORE PROFITABLE

HARVEY S. FIRESTONE pioneered and firestone engineers developed a pneumatic tire which is the greatest contribution in recent years to more efficient and economical farming. Farmers using Ground Grip Tires on their tractors are saving more than 25% in time and fuel.

On all farm implements the Ground Grip Tire has proved of practical time-saving and money-saving value. Wagons, combines, mowers, sprayers, grain drills require up to 50% less draft to pull them. Hauling is speeded up. Plowing is done with more uniform depth. Vines and roots are not injured or cut, allowing closer planting and greater yield. Ground Grip Tires do not pack the soil and give greater protection to equipment.

It requires only a minimum investment to put all your equipment on Ground Grip Tires. With Firestone's new demountable rim and cut-down method of applying the rim to the original implement wheels, one set of tires will fit several implements. Tires can be changed quickly from one implement to another—you need only two or three sets for practically all your implements.

Firestone patented Gum-Dipped cords, with two extra layers of Gum-Dipped cords under the tread, holding the patented super-traction tread to the cord body, made this great tire possible.

See the nearby Firestone Tire Dealer, Implement Dealer or Firestone Auto Supply and Service Store today—and in placing your order for new equipment, be sure to specify Firestone Ground Grip Tires on your new tractor or farm implement.

Listen to the Voice of Firestone featuring Richard Crooks or Nelson Eddy—with Margaret Speaks, Monday evenings over Nationwide N. B. C.—WEAF Network

ORDINANCE NO 304

AN ORDINANCE DESIGNATING A CERTAIN PUBLIC HIGHWAY AS A BOULEVARD: REQUIRING THAT ALL VEHICLES SHALL BE STOPPED BEFORE ENTERING OR CROSSING SAID BOULEVARD, AND PRESCRIBING PENALTIES FOR VIOLATIONS THEREOF.

THE BOARD OF SUPERVISORS OF THE COUNTY OF ALAMEDA, STATE OF CALIFORNIA, DO ORDAIN AS FOLLOWS:

Section 1. The following described portion of the herein-after mentioned public highway in the unincorporated territory of the county of Alameda, State of California, is hereby declared to be and designated as a boulevard, to-wit:

All of Smith Street in the Town of Alvarado running from Levy Street easterly to an intersection with the right of way of the Southern Pacific Coast Railroad.

Section 2. No person shall drive any vehicle or street or interurban car into or across the road way of any of the boulevard as designated in Section 1 of this Ordinance, without immediately prior thereto causing such vehicle to come to a complete stop; provided, however, that the provisions hereof shall not apply at intersections where and at times during which traffic is under the immediate control of a traffic officer.

Section 3. Any violation of any of the provisions of this ordinance shall be deemed a misdemeanor punishable as follows, to-wit: for a first conviction thereof within one year, by a fine of not to exceed Fifty Dollars (\$50.00) or by imprisonment in the County Jail for not to exceed five (5) days; for a second such conviction within one year, by a fine not to exceed One Hundred Dollars (\$100.00) or by imprisonment in the County Jail for not to exceed ten (10) days; or by both such fine and imprisonment; for a third such conviction within one year, by a fine not to exceed Five Hundred Dollars (\$500.00) or by imprisonment in the County Jail for not to exceed six (6) months, or by both such fine and imprisonment.

Section 4: This ordinance shall take effect and be in force thirty (30) days from and after its passage and before the expiration of fifteen (15) days after its passage it shall be published with the names of the members voting for and against the same for one week in Township Register, a newspaper published in said County of Alameda.

Adopted by the Board of Supervisors of the County of Alameda on the 12th day of March, 1936, by the following vote:

AYES: Janssen, Caldecott, Wixson, and Chairman Hamilton—4.
NOES: None.

Masonic Home News

JAMES H. HEATH

MASONIC HOME, Decoto—Scot Pyramid, No. 1, San Francisco, entertained the members of the home with a high class minstrel show Sunday afternoon. Some of the members of the home family who have been here a number of years say it was the best entertainment since the last visit of the pyramid.

Including the saxophone section of the pyramid band at least 40 persons were on the bill. The minstrel show followed a concert by the band. Elmer Gunther is the Pyramid Toparch. Dr. R. Lee Otis served as interlocutor, with six clever end men in the cast. Agnes Callaghan officiated at the piano. Mrs. Otis rendered important assistance in the presentation.

The Scots came early, bringing a large number of guests. At noon a basket picnic dinner was enjoyed in the banquet hall, the home furnishing table service and hot coffee.

L. B. Thomas, for nearly 19 years rector of Trinity Episcopal church in Oakland, conducted the monthly Episcopal church at the Home Assembly hall Sunday. Attendance was larger than usual. Accompanying the rector was Mrs. Mary Smithline of Oakland, a former parishioner of his at Austin, Nev., which was his third pastorate. At the close of the communion the vicar visited the hospital where he conducted a brief service for two of his parishioners, William J. Williams, and Mrs. Barbara M. Hill, patients, who were also members of his parish at Austin. Rev. Thomas and Mr. Williams are members of Fortitude Masonic lodge in Oakland. Rev. and Mrs. Thomas and Mrs. Smithline remained over for lunch as guests of the home. Mrs. Nellie Gray Foster has been detailed the duties in the management of the home Episcopal membership formerly performed by the late Henry F. Starbuck, James A. Foshey lodge, Los Angeles.

The recuperative power of Superintendent Hartman on Thursday was remarked when after a busy morning's work, he headed for San Francisco as his own chauffeur and as chaperone for seven members of the home. He delivered his wards at convenient places and picked them up at agreed upon points in the afternoon, reaching the home in time for the evening meal, to be followed for three or four hours of office work. Friday morning he was up with the sun.

BRIEF MENTION

The wearing of the green was the order of St. Patrick's Day by many of the members of the home family, and of all the nurses patients in the hospital, along with others.

Ed. J. North, Vesper Lodge, Red Bluff, was visited Sunday by a brother, by whom he was taken to San Jose and other places for a visit with relatives.

William M. Cardea, Charer Rock lodge, Berkeley, who has officiated as deputy county clerk as register of voters in this precinct since the start of the new year, has recorded nearly 300 to vote here are to sign on the 4 tied line. The home precinct said to poll a large registration than that of the Decoto precinct.

Mrs. Susan C. Garland, 85, Conaello lodge, Escondido, a member of the home since 1925, is a patient at the hospital, as is also Mrs. Catherine Heith, 89, Fresno lodge, a member of the home family since 1910. Mrs. Heith is totally blind. In point of years she is the oldest woman member.

A. L. (Abe) Hamblin, South-west lodge, National City, was 70 years young Tuesday, St. Patrick's Day. Abe is well known in Masonic, Scot and other circles all over California as the sole player of a "One Man Band," harmonica, mandolin, and drums.

Mrs. B. Peckham of San Jose was the week-end guest of Miss Molly Buttner.

ALVARADO SCENE OF EAGLES MEET

ALVARADO—Committees were to be appointed this week by Aerles of the F. O. E. to confer with county committees regarding the administration of the state old age pension plan. The action comes as the result of a meeting here last week. The local aerle was to nominate men to serve as delegates to the state convention at Petaluma June 12, 13 and 14. At a meeting on April 6 the delegates will be elected.

Mrs. J. E. Barton went shopping in Oakland Saturday.

DECOTO THIEF NABS HALYARD

DECOTO—Some sneak thief stole the 100-foot halyard on the Decoto flagpole Saturday night. Decoto residents are not so much upset over the actual loss of the rope as they are over the fact that they must pay somebody \$5 to shinny up the pole to replace it.

BABIES BORN IN NILES

NEWARK—Mr. and Mrs. Thomas Gibbans are the parents of a boy. The baby, weighing seven and a half pounds, was born on March 9 at Sellers Maternity home. Mr. and Mrs. Anthony Rose of Hayward are the parents of a girl, also born on March 9 at the Sellers home.

Mrs. Martha Buchanan visited in Napa over the week-end.

Mrs. J. R. Trescott, Mrs. I. C. Carver and Mrs. J. E. Barton will be among those who attend a picnic of the Ladies Relief Society of the L. D. S. church of Hayward Tuesday. The affair will be held at the Water Temple in Niles Canyon.

The Newark grammar school was well represented at the kite contest held on the high school grounds last Saturday and a number of ribbons were brought home by the Newark pupils.

The pupils of the Newark school were notified Monday by the health nurse that they would have an opportunity to be vaccinated about the first of April or just before the Easter vacation. The vaccination will be done by the health department and all parents are urged to have their children treated.

CHILDREN'S SAFETY CAMPAIGN

With the wide interest displayed in the kite flying contest at Washington Union High School last week, force is lent to the campaign conducted by the Pacific Gas & Electric Company for safety to children by instructing them in the dangers of live wires.

A. J. Petsche, township manager for the utility Company, has been giving addresses in the schools pointing to safeguards not only from live wires, but from traffic and other menaces to children. He has outlined six simple rules for safe kite flying.

1. Never fly a kite near electricity or trolley wires.
2. Never climb poles to untangle a kite.
3. Never let a kite fly over a radio aerial.
4. Never build or fly a kite with metal or wire in the frame or tail.
5. Never run across highways while flying kites.
6. Never use tinsel string, wire or any kind of twine made with metal substance. Use plain cotton cord.

NEW KIND OF SINGLE TAX

As a substitute for multiplicity of taxes that vex the people of California, J. K. Baillie, financial editor of the Los Angeles Evening Herald and Express, has suggested a study of the proposal made by a number of foremost tax experts that a gross tax be levied on all business and individual incomes. The tax would fall on all income or receipts derived from any transaction, or payment made or services rendered.

The gross annual income of California residents has been computed at about 15 billion dollars a year by Mr. Baillie, who has made an exhaustive survey of the possibilities of the suggested tax. With exemption of \$1000 on individual incomes he estimates a gross income tax of 1 per cent would yield about 100 million dollars annually.

Last week we published a list of about one-third of the 90 taxes paid by residents of California. Those listed were state taxes. Here are some of the federal taxes:

Personal income tax, 4 to 70 per cent; surtax on personal holding companies, 20 to 60 per cent; corporation income tax, 12 1/2 to 15 per cent; capital stock tax, \$1.40 per \$1000; excess profits tax, 6 to 12 per cent; estate tax, 2 to 70 per cent; gift tax, 1 1/2 to 5 1/2 per cent; tax on produce future contracts, 3 cents; gasoline tax, 1 cent per gallon; electrical energy tax, 3 per cent; theater admissions, 1 cent per 10 cents over 40 cents; club dues, 10 per cent; cable dispatches, 10 cents; leased wires, 5 per cent; pipe line transportation, 4 per cent. The list grows long, and will be continued later.

CALIFORNIA CROP VALUE

AT NEW HIGH IN 1935

California's harvest in 1935 moved into new high ground monetary value last year, with farm value of crops, exclusive of livestock, totaling more than \$380,000,000, according to the Bank of America Business Review.

Farm value of the state's field crops, fruits and nuts, and truck crops gained 2.4 per cent over the preceding year. As compared with average farm value for the three year period 1932-1934 inclusive, last year's total gained 23 per cent.

The review shows that \$23,558,000, or 31 per cent of the expenditure of veterans' funds in California, will be applied on existing debts.

About \$32,000,000 will be invested in farms, homes and household equipment. This is 35 per cent of the farm expenditures predicted for California.

Visitor—How's the new swimming pool?

Sup't. of Insane Asylum—Fine. It's becoming so popular with the patients, especially those that can't get along without having their feet wet with water.

SUNOL GIRL WAITS

WORD OF RESULTS OF CONTEST FOR HONORS

SUNOL—Miss Betty Mae Roraback, daughter of Mr. and Mrs. George Roraback of Sunol, is awaiting word from Sacramento as to the results of the contest for the post of California representative in the D. A. R. Good Citizenship pilgrimage to Washington, D. C.

Miss Roraback was chosen recently by fellow students at Washington Union high school in Centerville as being an outstanding girl. She is secretary of the associated student body, a member of the scholarship society, is a student council representative and is active in girls' athletics, dramatics and Red Cross work.

Miss Roraback has submitted answers to a questionnaire on public affairs in competition with other high school girls. Judgment on the questionnaire will determine the winner of the contest.

Fond Parent—Do you think you can support my daughter on \$149 a month?

Daughter—No, but I can support you, that will be all right.

CALIFORNIA GROWS

California population continues to increase despite the depression or perhaps because of it. The state's total population, the California Taxpayers Association estimates, is now 6,367,860, an increase of 690,609 or 12 per cent since the census of 1930 when the total was 5,677,251. Alameda county had a population of 494,129 on January 1, 1936, according to the same source, an increase of 18,237, or 3.83 per cent over 1930.

In the face of increased population, elementary school average daily attendance has declined. The peak of 634,014 was reported for 1931-32, while during the 1935 school year the average was 673,012.

Alameda county showed a peak school attendance of 143,122 in 1931-32, while during the 1935 school year the average was 140,585.

Long term home loans

Your local banker—the manager of Bank of America in your community—has full authority to complete every detail of the home loan plan which meets your own requirements. He will welcome the opportunity to be of service to you and to arrange monthly repayments which will enable you to buy your own home over 10, 15, or 20 years on a basis equivalent to renting.

Prices in the construction industry at the present time are most favorable to home-building and buying.
